Dear,
Exhibitor,

As we are all set to welcome 2018, here is wishing you all a very happy and productive New Year in advance. As the New Year unfolds, we bring you an excellent piece of good news.

ACSICON and CDCON are two prestigious names in the field of Dermatotomy and Cosmetology. Both have been associated with academic and research activities in their respective fields, sharing and exchanging their proficiency.

This year's conference will witness a landmark event of amalgamation of ACSICON and CDCON - a historical moment for our fraternity. We look forward to generating substantial synergies through this unification of two likeminded groups striving towards one common goal - achieving excellence in Aesthetic, Laser and Cutaneous Surgery.

Coming together is a beginning; keeping together is progress; Working together is success! What better way to celebrate this UNION than celebrating it in a UNION TERRITORY! **This year, ACSICON 2018 and CDCON will be hosting the conference together at Hotel Mirasol Reosrt, Daman on 27th, 28th & 29th April, 2018.**

Known for its untouched natural beauty and unrivalled serenity, Daman is the most popular weekend gateway for nature lovers and adventure enthusiasts. The white sandy secluded beaches are quite inviting and offer many opportunities for water sports. It used to be a Portuguese colony and was inducted into Indian Republic in 1962.

Distinguished faculties from all across India and abroad will be attending this conference to share their skill and expertise. The number of registered delegates is expected to be more than 1000. It will be a great opportunity for you to showcase your latest products, technologies and skills. This can be done in a variety of sponsored sessions, workshops, stalls and advertisements.

This conference will also provide a platform for you to get exclusive sponsorships and demonstrate new techniques with latest technology. You will have the advantage of displaying live treatment demonstrations on stage. Moreover, this will be a fantastic prospect for you to reach out to scores of Dermatologists from every corner of India and go home richer in knowledge and experience.

The details of partnership opportunities are attached herewith.

In case of any query, please feel free to contact us.

Warm regards
